SERVICE LINE AGREEMENT

This AGREEMENT is made by and between Gila River Telecommunications, Inc. (“Utility Provider”) and _____ (“Authorized Occupant”) for a service line installation on a tract of tribal/allotted land located on the Gila River Indian Reservation. The land is described as: _____ and is located in Township _____, Range _____, Section _____, Gila & Salt River Basin & Meridian, County of _____, State of Arizona.

WHEREAS, Utility Provider is authorized by the Gila River Indian Community to provide telecommunications services within the Gila River Indian Reservation; and

WHEREAS, Utility Provider is responsible for the operation, maintenance and construction of all telecommunications facilities and devices used to provide telecommunications services on the Gila River Indian Reservation; and

WHEREAS, Authorized Occupant is the legally authorized occupant or user of the tribal land where the service line will be installed.

1. As described in this Service Line Agreement (“Agreement”) Utility Provider shall design, construct and install telecommunications facilities to serve the above described property as shown on the attached plat marked “Exhibit A.”
2. The Authorized Occupant agrees and represents that this service line is used only for supplying the telephone and/or internet service to a house, business, or other structure and is for use by such authorized occupants or users on the premises.
3. In consideration of the Utility Provider furnishing utility service within the described property, the Authorized Occupant hereby grants permission to Utility Provider to construct the service line as described in Exhibit A.
4. Utility Provider shall own all components of the service line up to the Network Interface Device, wherever located. Utility Provider shall mitigate any damage to Authorized Occupant’s property during construction of the service line and, when construction is complete, shall restore the premises to as near the original condition as possible.
5. Utility Provider or Authorized Occupant may terminate this Agreement upon one hundred and eighty (180) days written notice of termination to the other party. Utility Provider shall, at the request of Authorized Occupant, remove all Utility Provider property, other than property that Authorized Occupant permits to be abandoned in place. After any such removal, Utility Provider shall promptly restore the premises to as near the original condition as possible.
